STATEMENT OF PURPOSE: This section of South Street is 20 feet wide and does not meet fire code requirements. Currently South Street has alternate side parking restrictions. There are no residences abutting this section of roadway. This resolution was reviewed and recommended by the city parking commission at the January 18, 2011 meeting. The request was made by D & C, Inc. and ICO Fuel Oil. All three abutting property owners have been notified with the majority agreeing with the proposal. Joe Kleiman of Kleiman Realty, the third abutting property owner, is opposed to no park this section of street.
